#### UNION VALLEY.

UNION VALLEY, Feb. 23, 1901.—Miss Carrie Gibson of Columbia, is visiting relatives here.

The days are still warm enough for the gripe to rule them. Almost the entire neighborhood has been troubled with this tedious, troublesome disease.

Quite a number attended the funeral services of Dr. Joyce at Concord Saturday.

Mrs. Eskew visited her mother at Bigbyville last week.

Mr. and Mrs. Oide Brown, Berton Pike, Charley Lantz, Elmer Kincaid and Mary Gussard, visited Mr. Geo. Goodman's family at Concord Sunday.

Many of the pupils are out of school from sickness. We hope they will be on duty again soon.

Bro. Blankenhorn will fill his appointment at Mt. Beth Sunday morning and evening.

Mrs. Kinzer, aged 84 years, breathed her last a few days ago, at her old home here. She has lived a long time in this community. Ten years ago she moved away, but was permitted to move back a short time before she died. She spent most of her life serving the Lord, and when her work was finished she folded her hands, closed her eyes and without a struggle went to that sweet sleep that knows no waking. ELAINE.

**MT. NERO AND SAWDUST VALLEY.**

MT. NERO, Feb. 23.—The Death Angel, which has been hovering in our midst for so long, has at last claimed its victim.

Dr. William Webb Joyce was born in Williamson county April 17, 1829. He professed religion and joined the church at Rehoboth in 1848, under the ministry of Rev. Mark Gray. He moved to Maury county in 1849, and nearly all these years have been spent at his home near Mt. Nero. He was twice married; the first time to Elvira Joyce, Sept. 11, 1853; from this union there were three children, all of whom died at a tender age. On Nov. 3, 1858, he was married to Emma Elizabeth Kinzer; only one child blessed this union—Otey Webb—whose sad and untimely death occurred while at school at Philadelphia 1 June, 1886. This was a sad blow to the fond parents; their only hope of posterity, and it had been said that he never fully recovered from the shock. However, since then his life has been more fully consecrated to God. When afflictions came upon him, he only trusted God the more. His death occurred Feb. 22, 1901, and the funeral services took place at Concord Saturday, conducted by Rev. H. S. McBride and W. H. Beasley.

How hard it is to realize that our dear friend is no more. Others have come and gone, but he has been with us in our church, Sunday-school, and in the Good Templars Lodge for a number of years; has often visited our homes, professionally and socially; has been the family physician for our community since he began the practice of medicine when quite a young man. How our heart goes out in sympathy for the lonely widow, who feels as if she were adrift upon life's sea. May she find comfort and strength in the religion of our Lord Jesus Christ. The doctor talked quite freely about dying; said he was ready and willing to go; but said, "it is not death to a Christian; we only fall asleep in this world to awake in glory." He endeavored to leave his affairs in order, his house in readiness, when the summons came. Nearly two years ago he had a handsome monument erected in the cemetery at Concord, with his and his wife's inscription thereon.

On last Thursday death also entered the home of one of our oldest people, Aunt Malinda Kinzer, as she was familiarly called, she being nearly 85 years of age. For long years she lived in our midst, but about nine years ago she moved to Union and resided there until a few weeks ago, when she moved back to the old home. Aunt Malinda was a Christian, and in her last days, when afflictions fell so heavily upon her, she often prayed to die, to be freed from pain and sorrow, and go home to heaven; she leaves three children, and several grandchildren to mourn her departure. She lived with her granddaughter, Mrs. Lillie Godwin, who will sadly miss grandmother. VASHTI.

T. F. Anthony, ex-postmaster of Promise City, Iowa, says: "I bought one bottle of 'Mystic Cure' for Rheumatism, and two doses of it did me more good than any medicine I ever took. Sold by A. B. Rains, Druggist, Columbia. oct15-5m.

#### IN MEMORIAM.

On the 18th, at Lasting Hope Cemetery, in a casket while the snow flakes, nesting among beautiful flowers, tributes of love from friends, we laid to rest Enla, the lovely and beloved wife of S. B. Nichols, of Carter's Creek. Many a face was shadowed, many a heart was in mourning, for she who had been so early to her rest, had endeared herself to all who knew her by her goodness, gentleness, and the beauty of her blameless life. She never spoke a word which she did not mean, and she always spoke the truth in love. She had been fragile and delicate for a long time, and yet she seemed to have died suddenly at last, so difficult, so almost impossible it was for those who loved her to prepare their hearts for that fearful bereavement, that immeasurable loss.

Although she had recently moved to her new home, she had no regrets at leaving it, and spoke sweetly of a home more beautiful, prepared for her in Heaven. But it seemed to rend her heart in twain to leave her dear loved one, who had done all that money or love could do to restore her health. Her one chief object and desire in life was to live so that she might learn the way to Heaven, and how to land safely on that happy shore, so when the summons came she was ready; all the way was clear and bright, and she glided sweetly and quietly into paradise. A FRIEND.

Williamson's Population.

Franklin R-view-Appeal: "I had been given out several months ago in the dispatches from Washington to Tennessee newspapers that the population of Williamson county was 36,429, but it now transpires that there was a mistake of 10,000 in the figures. It is difficult to believe the census returns are correct. Williamson county, according to every indication, has many more people in it than were here ten years ago, and the figures compiled by the government is not to be accepted, therefore, as an accurate measurement of its growth. So far as Franklin is concerned, there are five hundred people who to all intents and purposes are citizens, but who reside outside the corporation borders. There are, in all probability, also more people actually inside the limits than the returns give.

The population of Williamson as shown by the census bulletin is 26,429. In 1890 it was 23,321, showing an increase of 108, or 4 per cent. The population of Franklin is 2,180, while in 1890 it was 2,250.

**Funerals in France.**

There is one French custom we should like to see introduced into the United States and become universal. In France, when a funeral takes place, every man raises his hat to salute it. The deceased person may have been a child, a pauper or a beggar; it is no matter; the cortege is saluted by every man, whether he be prince, millionaire or mendicant. It is a good and lovely custom.
